Total Fans 16, Styrene Wins Inter-Dow Tilt

Some fancy base running by Ira Blowers of the Torrance Styrene plant proved the margin of victory between two well-matched Dow Chemical Co. softball teams at the Torrance Municipal park Saturday night.

Final score was Styrene 1, Pittsburg plant 0.

Sammy Totel, ace Styrene pitcher who was jinxed during the season by a less-than-tight defense, took no chances this time, twice ending innings via the strikeout route when Pittsburg runners threatened.

In the second inning, with a man on third because of an error, and none out, Sammy whiffed three in a row and in the fifth, with a foe on the same sack and one out, he made the next two bow on strikes. All told, Totel fanned 16 of the 25 Pittsburg batters to face him, including three in the final frame.

Lone run of the contest came in the fourth inning. Ira Blowers doubled, and continued to third on a centerfielder's error. When Blitter grounded to first base, Blowers dashed for the plate, and by a fast hook slide managed to elude the catcher's tag. Score:

Styrene Plant 000 100 0-1 3 2
Pittsburg Plant 000 000 0-0 3 2

Goodyear Nine Trims Shepard To Cop Trophy

After dropping the first game in a best two of three series with the Shepard Brothers softball team, the Goodyear Synthetic Rubber nine came back to win two straight to walk off with the President's Cup, symbolic of the 1946 champions of the Torrance Industrial Softball league.

Shepard's boys played inspired ball to win 2-1 in the first encounter behind the four-hit pitching of Van West and the eagle-eye batting of Leftfielder Cable, who collected three singles in three times up.

Goodyear fielded flawlessly behind the five-hit pitching efforts of Marvin Schockley. Centerfielder Wenzel blasted out two of Goodyear's four hits and scored their lone tally in the fourth inning when he belted out a lusty triple and scampered home on Bristow's hit.

In the second game Thursday night, the rubber men really flexed their hitting eyes as they teed off on the offerings of Van West for eleven solid blows and bounced around the bases for nine tallies while big "Marv" Schockley was handcuffing the Shepard batters with five hits and one unearned run. Leftfielder Dale Bristow and Schockley shared batting honors, each posting homers.

In Friday's final, Goodyear clinched the flag 7-2 in what started out to be a good ball game but was spoiled by errors on the part of the Shepards.

Tartar Varsity, With 5 Lettermen, Preps For Narbonne Battle, Oct. 11

Led by five lettermen, including All-Marine Back Ralph George and All-Marine End Leroy Schwenk, the Tartar 1946 varsity football is approaching top form for its first league tussle against Narbonne Friday, October 11.

Shaping into a fine looking team under the direction of Coach John Winfield, the team seems to be gaining some of the spirit and power that made last year's aggregation such a power house.

Although nine of last year's regulars have been lost, the other two will be supplemented by reserves and some promising looking "B" squad boys and new recruits. First string lineup, though not definite, is expected to look something like this:

Left end, Leroy Schwenk, 160 pounds; from Washington, high, very powerful, a triple-threat. Other promising prospects are: Ends, Bob Jones, 190 pounds and Jack Hood, 160 pounds; tackles; Doug Woolover, 225 pounds and Albert Stevenson, 185 pounds; guards, Lyle Nelson, 175 pounds and Dick Oefinger, 170 pounds; center, Milton Long, 175 pounds; backs; Darrell Comstock, 150 pounds; Bill Morgan, 150 pounds; Merwin Jarratt, 135 pounds, and Joe Borges, 160 pounds, a fine kicker.

Over three teams deep, the Tartar squad has plenty of reserves and may surprise the league this season.

Snooks and Ayula Hotrods To Vie At Gardena Bowl

An inter-sectional challenge race, featuring Manuel Ayula of Hollywood and Leroy Snooks of Indianapolis, the midwestern champion, will headline the roadster hotrod racing show at the Gardena Bowl, 174th and Vermont, at 2:30 p.m. next Sunday.

Ayula issued the challenge this week, after being forced to watch last week's show from the sidelines when his car failed to start.

Snooks not only set a new track qualifying record of 23.82, but roared through the entire field to victory in the 20-lap main event, going from last in the inverted-start system to the victory in one of the most thrilling shows of the season.

Promoter J. C. Agajanian has announced the remodeled track to be in excellent condition, and that a field of more than 100 of the fastest souped-up cars in the West along with a crowd of 20,000 are expected at the bowl for the fifth in the series of roadster shows.
